What specific skills does this governor bring to the Local Academy Board?	Marketing (Level 3 Apprenticeship in Digital Marketing, A Level Photography). Over eight years of secondary school operations experience, paired with experience of working within the hospitality sector.
Why did this Governor want to be a member of the Local Academy Board?	I have been looking for an opportunity to give back to society and when this opportunity came up it felt like a natural step. I wish to contribute towards the school's overall improvement and support the school, staff, students and wider community to achieve the very best outcomes. I have seen the school develop constantly since I joined in 2022 and being a member of the governing board whilst it continues to grow stronger will be extremely rewarding. As I've worked in school operations in a variety of roles, and studied an apprenticeship in marketing for 2 years whilst working in a school, I've now collected a breadth of knowledge which I hope will allow me to bring a fresh perspective to the board.
What specific links does this LAB member have with the Academy Leadership Team	I am currently the Office Manager at the school and work closely with the majority of the senior leaders daily.
