Why did they want to be a Governor at The Hall Park Academy?

As a former student of Eastwood Comprehensive School and as the parent of a current Hall Park student, I look forward to supporting the school in any way I can to help achieve the best possible outcomes and opportunities for the current generation, the next and beyond.

I have 4 years experience of governance at a local primary school and hope the knowledge and skills I have gained will benefit the Board and, ultimately, the school and the students.

Is this Governor linked into any specific department or area within The Hall Park Academy?
