History teacher at HPA

Why did they want to be a Governor at The Hall Park Academy?

I wanted to be a governor so that I could contribute in another way to the running of the school. HPA is a great school; I've been here for nine years and seen it go from strength to strength and I'm proud to have been part of that. Thirty years of teaching experience also means that I feel confident about representing the staff viewpoint at governor level.

Is this Governor linked into any specific department or area within The Hall Park Academy?

Personal Development.
