Dear Parents/Carers

**Pre-Loved Uniform Donations**

At Hall Park Academy, we are committed to supporting our wider school community. With this in mind, we are inviting parents and carers to donate good-quality, pre-loved Hall Park Academy uniform that your child has outgrown or no longer needs. By donating these items, you will be helping us reduce waste, support other families, and build a more environmentally responsible school community.

With your support, we aim to collect enough items to create a dedicated pre-loved uniform rail which will offer families an accessible, sustainable way to source uniform throughout the year. We kindly ask that all donated items are laundered before being handed in.

Pre-loved uniform donation boxes will be placed in house support, the dining room and reception, making it easy for students to drop uniform items in at their convenience. Alternatively, parents can drop items off to the school reception.

Once we have gathered enough uniform, we will share details about when the Pre-Loved Uniform Rail will open for parents and carers to browse and collect items.

Thank you to everyone who is able to support this initiative. By working together, we can ensure every student has what they need to feel confident and ready to achieve their best.

**What we'd like you to do**

- Donate unwanted uniform to one of the green drop boxes.

Yours faithfully

Mr D Crossley
