Dear Parent/Carer

### **Supporting your child with reading**

We would like to warmly invite you to a parent meeting to explore practical strategies for supporting your child's reading at home. The session will take place on 4 December at **6:00pm** in the school library.

Reading is one of the most important skills your child can develop. It enhances vocabulary, comprehension, critical thinking, and empathy. These are skills that are essential across all subjects and in life beyond school. Encouraging regular reading at home can make a significant difference in your child's progress and confidence.

During the session, we will share:

- Effective ways to encourage reading at home.
- Tips for choosing engaging and age-appropriate texts.
- Strategies to support reluctant readers.
- How reading supports learning across the curriculum.
- The opportunity to ask questions.

We hope you can join us for this important event. Your support plays a key role in helping our young people develop a lifelong love of reading.

### **What we would like you to do:**

- Complete this form if you wish to attend:
