11 February 2026

Dear Parent/Carer

As we come to the end of this half-term, I would like to share some updates with you.

Attendance

Attendance at Hall Park Academy continues to be strong and is above the national average. However, we are still working hard to improve it further. At the start of each half-term, students who have 100% attendance are rewarded with a non-uniform day. Students with 97% attendance or more can take part in a reward activity at the end of the term.

This term, we also introduced a new weekly attendance reward; an attendance raffle. Each week that a student attends school every day, they receive a reward ticket. Students can choose which raffle to enter, and prizes such as vouchers are given out at the end of each half-term. This has already helped improve attendance, and many students have achieved 100% attendance.

If you would like more information, please read the attendance leaflet on our school website. For support with your child's attendance, please use the link at the bottom of the letter.

Revision support

Students in Year 11 and Year 13 are working hard to prepare for their summer exams. To support them, we have been running a series of revision assemblies this half-term. Each week, students learn how to use a different revision technique, and they are given homework so they can practise it in their subjects. By the end of the six-week programme, students will have a clearer idea of which revision methods work best for them as they get ready for their exams. A link to revision resources for all year groups can be found below.

We have also extended revision support to other year groups. Starting with Year 9, we have run revision assemblies and after school events for parents. This has been very successful and will continue with Year 7 next half term. A link to revision resources for all year groups can be found below.

Class Charts

Class Charts continues to be our main system for sharing homework and messages from school. We are using the announcements feature more often, so it is important that parents and carers check Class Charts regularly. To get the most out of Class Charts, please make sure you have a parent account, rather than only using your child's account. Students cannot always see messages meant for parents. If you need help setting up a parent account, please email itsupport@hallparkacademy.org.uk or complete the contact form on our website, linked [here](#).

Updating Contact Details

Please make sure the contact information we hold for you is up to date. This is important in case we need to reach you during the school day or send key information such as school reports. You can update your details below.

Thank you for your continued support.

What we want you to do:

- Click [here](#) for revision resources
- Click [here](#) to email the attendance team
- Click [here](#) to update contact details
- Click [here](#) to request help to set up a parent Class Charts account

Yours faithfully

Mr D Crossley
