

7 May 2026

Dear Parent/Carer

Year 8 assessment week and revision workshops

At Hall Park Academy, we are committed to ensuring every student achieves their full potential through ambition, hard work and resilience. As part of this mission, we want to give our Year 8 students the best possible preparation for their upcoming assessment week which will begin on **Monday 8 June 2026**.

To help students in their preparation for this week, we have spoken to them in assembly with regards to what the assessments will involve, how they will look, and practical strategies for effective preparation. Information regarding these assessments will also be shared on Class Charts and paper copies given to students. To further support their revision, we are also holding student revision workshops on **Tuesday 19 May** during their timetabled lessons. This will provide useful techniques and resources to help them revise effectively.

We would like to invite you to our Parents' Revision Workshop at 6pm on **Tuesday 19 May**. This session will be led by Ms Grainger and is designed to help you support your child with their revision at home. Your involvement can make a real difference to their confidence and success, and we strongly encourage you to attend.

What we would like you to do:

- Register your attendance for the parent workshop: [Year 8 Parent Revision Night - Tuesday 19th May – Fill in form](#)
- Attend the workshop to support your child's revision at home
- Encourage your child to engage with the student revision workshops during their lessons.
- Check Class Charts or [our website](#) for assessment information and revision guidance.

Thank you for your continued support as always.

Yours faithfully

Ms M Brooks
Deputy Headteacher
