Dear Parent/Carer

Year 12 Practice Exams – 16 – 25 June

Year 12 practice exams will take place during week 16 – 25 June. A copy of the practice exam timetable will be on the school website shortly.

This exam series provides an invaluable opportunity for students to practice revising for exams, exam processes and procedures, and responding to teacher feedback. Practice exams are also important as they can be requested by exam boards if a student is unable to sit a summer exam for any reason. To this end, we will be replicating A level exam processes as closely as possible to give students a full examination experience and to support their achievement.

It is vital that students attend school through the practice exam period. In the summer exam period, there are no opportunities for students to catch up on exams that they miss. For this reason, we will not be providing opportunities in school for students to sit catch-up exams, other than in extenuating circumstances. We will deal with any absences due to extenuating circumstances on a case-by-case basis. If you have any concerns with respect to student absence, please contact the school via email t.hancock@hallparkacademy.org.uk

Students will be preparing for the practice exams in lessons and given revision materials to work on in their study periods.

Thank you for your ongoing support.

Yours faithfully

Miss E Kelly
