Dear Parent/Carer

Nottingham Trent University Data Request

As a part of Hall Park Academy's Aspirational Programme, we will be working closely with Nottingham Trent University (NTU) throughout this academic year. NTU run an outreach programme that provides a series of experiences and workshops which are designed to help prepare our young people for their futures in the wider world.

To help NTU run these sessions in partnership with Hall Park Academy, they have asked us to send out a data request form, which you can find [here](#). Providing your child's details will help NTU to discover whether the activities they deliver help more people go on to higher education.

If you have more than one student at Hall Park Academy, could I ask that you complete the form for each of them so that NTU can get as accurate a picture as possible for their records.

If you would like to find out more, you can watch a short video by visiting the link below:

If you have any questions, please get in touch.

Yours faithfully

Mr A Martin
