9th February 2024

Dear Parent/Carer

Aspirational Programme – Resilience Building Sessions

As part of Hall Park Academy's Aspirational Programme, we work with Nottingham Trent University who provide workshops and support for our young people to help prepare them for their exams and future lives beyond Hall Park Academy.

Our Year 10 students took a resilience survey to help us identify which students would be suited to a programme of resilience-building sessions designed to support students as they work towards their exams at the end of Year 10 and into Year 11.

Your child has been selected to take part in this programme.

The sessions will take place during normal school lessons for one hour a week, across a six-week period, between Tuesday 20th February and Tuesday 26th March.

So that Nottingham Trent University can measure their impact and continuously improve their provision, they have asked that parents of all students on the programme complete this short online form: <https://app.onlinesurveys.jisc.ac.uk/s/ntusurvey/rawr>

I would like to take this opportunity to thank you in advance for your support with this opportunity.

If you have any questions or concerns, please contact me directly via the email address below.

Yours faithfully

Mr A Martin

Aspirational Co-ordinator
