Dear Parent/Carer

Year 10 Parent Revision Skills Session – Wednesday 13th March

I am writing to invite you to our Year 10 Parent Revision Skills Session on Wednesday 13th March. The event will run from 7.00 – 8.00pm in the theatre.

During the session we will share specific ways in which you can support your child with revision and independent study at home. With Year 10 practice exams taking place from 17th June, now is the time to practise and embed effective revision skills for use beyond the classroom.

Knowing how to revise effectively is important for two key reasons: it helps students to know and remember more of the content they have been taught over a long period of study; and it increases their confidence and reduces anxiety so they can perform their best.

Your child will take part in a similar session earlier that day during normal school time. As such, we do not expect them to attend the evening session, though they are welcome to attend should you wish them to.

Please confirm your attendance by completing this form: <https://tinyurl.com/2k4fr87e>

Please do not hesitate to contact me if you have any questions on thompsond@hallparkacademy.org.uk.

Yours faithfully

David Thompson
