Dear Parent/Carer

Key Stage 4 Pathways Evening

You are invited to attend our Key Stage 4 Pathways Evening on **Thursday 22nd February at 7pm**. This event is for all of our Year 9 students and their parents to share information about the curriculum that will be studied in Years 10 and 11. This includes the subject option choices that will need to be made by each student.

The evening will involve a presentation outlining the Key Stage 4 curriculum including the core subjects that your child will study and the choices available to them. There will also be an opportunity to talk to teachers from the different subjects we offer. As part of the evening, you will be given an information booklet outlining what each subject has to offer and a subject choices form for your child.

To allow plenty of time to make these important decisions, the deadline for their subject choices is **Friday 22nd March**. Choices can be submitted online up to this date. There will be a special assembly for our Year 9 students about the Pathways process next week.

We look forward to seeing you at this upcoming event. In the past, both students and parents have found this event to be extremely helpful when making their choices.
