Dear Parent/Carer

**Year 11 Food Preparation and Nutrition final practical exam – group 1**

As part of the AQA Food Preparation and Nutrition course, students are now required to take part in their **final practical exam** on **Monday 11<sup>th</sup> March**. Students will be off-timetable period 1 to period 3 to complete the exam.

Students will make and present three dishes with accompaniments (which must be different to the dishes they created in their mock). Alongside this, they will produce a 20-page folder which includes the planning and evaluation of the dishes and photographic evidence; this is all completed over 20 hours and is worth 50% of their final qualification grade.

During our upcoming lessons, students will be selecting their final three dishes and will produce a list of ingredients that they need to bring with them to the exam. Students are welcome to bring in crockery from home to plate up and present their food if they wish.

Please let me know as soon as possible if there is a problem with providing ingredients. It may be possible for the school to provide ingredients in particular circumstances if enough notice is given.

I would like to thank you in advance for your support. If you require any further information, please do not hesitate to contact me.

Yours faithfully

Mrs M Norridge
