Dear Parent,

**Re: Year 13 Moving on Day at Nottingham Trent University City Campus
Friday 19th April**

We are delighted to inform you that all Year 13 students in the Redhill Academy Trust will be attending our 'Moving on Day' at the Nottingham Trent University City Campus on Friday 19th April. The Redhill Trust has run this day for many years, but this will be the first time that all seven sixth forms have come together in the same venue. This event is in partnership with Nottingham Trent University and a legal education charity called Leducate.

'Moving On Day' involves a series of sessions designed to inform students and share essential information they need to know as they move into the next phase of their life as independent adults. These will include topics such as lifetime finances, personal health and consumer and tenant rights. A range of external speakers will be presenting these sessions which will take place in lecture theatres within a small area of the city centre campus. Students will be provided with maps and there will be NTU student helpers around to support them. They should wear their lanyards at all times for easy identification by staff.

Students have been given a choice of three from the following sessions:

- Driving and passenger safety- delivered by Via East Midlands
- Cradle to grave finances - delivered by HSBC
- Legal rights and responsibilities- delivered by Leducate
- Knowing your rights - Consumer and housing rights - delivered by Leducate
- GP talk on personal health for 18-21 year olds- by GP Dr Rebecca Chellaswamy
- Thriving at University - delivered by Nottingham Trent University
- Degree apprenticeships and your first day at work - delivered by a range of apprenticeship providers

In addition, all students will take part in a session on healthy relationships and the law, delivered by Leducate.

The day will run from 9.15am until 3.00pm. In order to get to Nottingham city centre for registration, students must be at school and ready to leave on the coach by 8.30am. We will depart from the University after 3.00pm and, depending on traffic, we anticipate arrival back at school around 3.45pm.

Students are advised to bring a packed lunch which they will be permitted to eat in the lecture theatre. Alternatively, if students wish to visit the city centre to buy food during their one-hour lunch break, this will be permitted but students must take responsibility to be back at their chosen session on time. Students are strongly encouraged to only visit the city centre in small groups.

Please click the link <https://forms.office.com/e/f1yAaspjaJ> to give permission for your child to attend the day.

This is an excellent opportunity for students to connect with each other and with higher education, as well as develop some really valuable knowledge and skills about important aspects of the next phase of their lives.

Yours faithfully,

Andy Edwards
