Dear Parent/Carer

I am writing to provide an update on two topics; our home-academy agreement and the times at which students should be accessing the school site at the start of the day.

Home-Academy Agreement

Hall Park Academy is committed to working in partnership with parents. We have introduced a home-academy agreement to further strengthen the relationships between the school and families. This agreement aims to clarify the roles the school, parents and students play in raising student achievement.

Please read the attached agreement and complete this form: <https://tinyurl.com/HPAagreement>

Students on site at the start of the school day

We are proud to run a successful breakfast club where breakfast is available, free of charge, for every student that wants it. This is available from 8:00am each morning in the dining room. Students who are not using the breakfast club can arrive after 8:15am, unless they are participating in a supervised activity arranged by a member of staff, such as a morning revision session. All students are expected to be at school by 8:40am.

I would like to take this opportunity to remind you that we need to restrict the number of vehicles that access the school site. This includes at the start of the day. If you do give your child a lift to school, please can you drop them off outside the school site. Morrisons have given permission for their carpark to be used for drop-offs and pick-ups at the start and end of the school day.

Thank you for your support in these matters.

Yours faithfully

David Crossley
