Headteacher: Mr D Crossley

July 2024

Dear Parent/Carer

As you will be aware, Hall Park Academy was inspected by Ofsted in June. The inspection went very well, and it gives me great pleasure to share the inspection report with you. A link can be found at the bottom of this letter.

Inspectors judged the school to be good in all areas. We are delighted that they recognised the significant progress that the school has made in recent years. This is testament to the hard work of students and staff and to the support of parents and carers.

Inspectors praised the culture of the school, the high quality of the education on offer and the behaviour of our students, amongst many other things. It was particularly pleasing to confirm how proud students are of their school and the wide range of support and opportunities available to them.

Thank you to the many of you that completed the parent survey and for the many positive and supportive comments. These were helpful in confirming the inspectors' positive view of the school.

I hope you will take the time to read the report and share it with people you know, particularly those who may be considering Hall Park Academy for their children next year and in the future. We have a few places remaining for September that we expect will be quickly filled, particularly given the positive nature of our new Ofsted report. For more information about applying for a Year 7 place in September, please refer to the Nottinghamshire County Council website [here](#). Parents of students currently in Year 4 and 5 are invited to our Open Evening which will be taking place on Thursday 26 September 2024.

Thank you for your continued support of Hall Park Academy.
